Madeleine Peyroux, Weary Blues

Weary blues from waitin' Lord, I've been waitin' so long These blues have got me cryin' Oh, sweet daddy please come home

The snow falls 'round my window But it can't chill my heart God knows it died the day you left My dream world fell apart.

Weary blues from waitin' Lord, I've been waitin' so long These blues have got me cryin' Oh, sweet daddy please come home Oh, sweet daddy please come home

Through tears I watch young lovers As they go strollin' by And all the things that might have been God forgive me if I cry

Weary blues from waitin' Lord, I've been waitin' so long These blues have got me cryin' Oh, sweet daddy please come home Oh, sweet daddy please come home
