

Mademoiselle, Do You Love Me

Oops, do you love me
Hmm, do you love me baby
Do you love me
Hmm, do you love me baby
Do you love me
Hmm, do you love me

(Chorus)
Oops, do you love me
Hmm, do you love me baby
Do you love me
Hmm, do you love me

(Verse)
I love (I love, I love, I love)

I love you twenty-five hours a day
Like a kind of drug you blow me away, baby
Every time I see you I try to say
What I feel for you but you go away

(Bridge)
I love you twenty-five hours a day
Wanna be with you every night and day, baby
I love you twenty-five hours a day
People say to me that I go crazy

So just one little question....

=(Chorus x4)

I love you twenty-five hours a day

=(Bridge)

=(Chorus x2)

Do ya, do ya love me
Do ya love me
Do ya, do ya love me

=(Chorus x3)

Oops, do you love me
Hmm, do you love me baby, baby, baby, baby
