

# Madhouse, Like A Virgin

I made it through the wilderness  
Some how I made it through  
Didn't know how lost I was until I found you  
I was beat, incomplete I'd been had I was sad and blue  
But you make me feel so shiny and new  
Yeah you make me feel yeah you make me feel so shiny and new

Like a virgin touched for the very first time  
Like a virgin  
When your heart beats next to mine

Gonna give you all the love boy my fear is fading fast  
Been saving it all for you coz only love can last  
You're so fine and your mine, make me strong  
Yeah you make me feel that our love can last

Like a virgin touched for the very first time  
Like a virgin  
When your heart beats next to mine  
Whoo x3

You're so fine and your mine I'll be yours till the end of time  
Coz you make me feel yeah you make me feel so shiny and new

Like a virgin touched for the very first time  
Like a virgin  
When your heart beats next to mine
