

# Madina Lake, Silent Voices Kill

They say the darkest hour's just before the dawn.  
Well, I've been up all night just desperate for the sun.  
'Cause I've got a voice or two that can't seem to forget you.  
They keep me up all night no matter what I do.  
All these images surrounding me  
Over you in my head as I lay still,  
But the silent voices kill.  
They won't shut up.  
There's so much noise inside my head.  
They won't give up.  
I can't get away from myself.  
I don't wanna meet someone new,  
I just wanna be over you.  
The past is a noose that you have tied my life up to.  
Now I'm obsessed, I'm sick, I'm desperate, I can't move.  
All these images surrounding me  
Over you in my head as I lay still,  
But the silent voices kill.  
They won't shut up.  
There's so much noise inside my head.  
They won't give up.  
I can't get away from myself.  
I don't wanna meet someone new,  
I just wanna be over you.  
They don't give up.  
I can't even hear myself.  
They won't shut up.  
There's so much noise inside my head.  
They won't give up.  
I can't get away from myself.  
I don't wanna meet someone new,  
I just wanna be over you
