

Madison Beer, Showed Me (How I Fell In Love With You)

With all the windows down
They always say your name
Even when you're not around
Seasons only change
It's always been the same

You showed me how to do
Exactly what you do
How I fell in love with you
You showed me how to say
Exactly what you say
In that very special way

I will be your fool
I come back every time
You always tell the truth
Even when you lie
