Madonna, Ray Of Light (Sasha ultra-fiolet mix)

Verse:

Zephyr in the sky at night I wonder Do my tears of mourning sink beneath the sun She's got herself a universe gone quickly For the call of thunder threatens everyone

Chorus:

And I feel like I just got home And I feel And I feel like I just got home And I feel

Faster than the speeding light she's flying Trying to remember where it all began She's got herself a little piece of heaven Waiting for the time when Earth shall be as one

(chorus)

Quicker than a ray of light Quicker than a ray of light Quicker than a ray of light

(verse)

And I feel Quicker than a ray of light Then gone for Someone else shall be there Through the endless years

She's got herself a universe She's got herself a universe She's got herself a universe

And I feel And I feel And I feel like I just got home And I feel

Quicker than a ray of light she's flying Quicker than a ray of light I'm flying
