

# Madrugada, Terraplane

Lord, throw your mercy down  
And burn, burn me to, to the ground  
Oh, I'm gonna ride that terraplane to the ground, now  
I'm gonna ride that terraplane  
I'm gonna ride it to the ground  
To the ground  
So you send your mercy down  
Oh, Oh I'm gonna fall  
I'm gonna ride that terraplane  
I'm gonna ride that terraplane to the ground  
To the ground  
Oh

I'm gonna ride that terraplane  
I'm gonna ride it to the ground  
I'm gonna ride that terraplane  
I'm gonna ride it to the ground
