

Mae Muller, Me, Myself And I

It's getting boring
This stupid boy thing
Can't seem to find the one
'Cos it's the same line
Right guy the wrong time
I think I've had enough
'Cos I don't need to try
Think I've finally realised
That I'm all good, don't need a guy
'Cos I'm the love of my own life
I don't need to try
Think I've finally realised
That I'm too busy to be a wife
Yeah that's why
I cut off Charlie, I told him I was sorry
Then there was Michael, he just wasn't my type though
Then there was Ethan, he wanted something deeper
I had to leave them, I think I found a keeper
It's me, myself and I
Baby, its simple
I'm young and single
Why would I settle down
'Cos for the first time
Got nobody on my line
Don't hit me up 'cos I'll decline yeah
'Cos I don't need to try
Think I've finally realised
That I'm all good, don't need a guy
'Cos I'm the love of my own life
I don't need to try
Think I've finally realised
That I'm too busy to be a wife
Yeah that's why
I cut off Charlie, I told him I was sorry
Then there was Michael, he just wasn't my type though
Then there was Ethan, he wanted something deeper
I had to leave them, I think I found a keeper
It's me, myself and I
Ooh, I'm going out tonight
Ooh, just me, myself and I
Ooh, too busy to be a wife
So I'm going out tonight
Yeah, just me, myself & I
And Charlie, you're a good time
And Michael, you're so damn fine
And Ethan, always on time
But I'm the love of my own life
You ain't done nothing wrong
But I like being alone
So don't take it personal
That's why
I cut off Charlie, I told him I was sorry
Then there was Michael, he just wasn't my type though
There was Ethan, he wanted something deeper
I had to leave them, I think I found a keeper
It's me, myself and I
Ooh I'm going out tonight
Ooh just me, myself and I
Ooh too busy to be a wife
So I'm going out tonight
Yeah, just me, myself and I
