

# Magazine, Because Your Frightened

You love me because you're frightened  
and I'm falling in love with you  
because I'm getting frightened  
of the things you somehow make me do  
you love me because you're frightened  
I can easily believe my eyes  
your fear is my finest hour  
my fear is your disguise

Look what fear's done to my body

A frightening world  
is an interesting world to be in  
in the Forbidden City  
or on The Roof of the World  
or at the receiving end  
of the nine o'clock news  
however you put your mind to it  
you can find fear where you choose

Look what fear's done to my body

You want to hurt  
you want to crave  
you want to praise and curse and blame  
you want to believe just what you like  
then you want to hurt and crave again

They took you to the top of the mountain  
they showed you the valley  
you bought it  
you couldn't wait, could you!

Look what fear's done to my body

You want to hurt ...
