

# Magazine, Give Me Everything

You're gonna give me immunity  
you're gonna receive punishment  
I'm gonna lose myself in you  
because you're not quite of this world

There will be rooms  
where we shouldn't meet  
times I want to screw you up  
and leave you in the street  
you know everybody  
you don't know a thing  
you watch me in you  
but I know what you're really seeing

With the eyes of the world upon you  
you leave nothing to my imagination  
and I leave nothing to be desired  
cos you're gonna feel like I feel

Now you give me everything  
now you give me everything  
now you give me everything  
now give me everything

And I'll open up like a sliding door  
oh so oblique and easy  
oh you're so bleak and easy  
cos you're gonna feel like I feel

Now you give me everything  
now you give me everything  
now you give me everything  
now give me everything

I beg of you  
I beg of you  
I beg of you
