

# Magdalena Bay, EXO

Red  
Is running through my head  
Castle on a hill  
But nobody's home

EXO  
EXO/LO

Love in the air  
There's air in the bag  
A violence in me  
Singing hello

EXO  
EXO/LO  
Haunting me

Feu  
Toujours dans ma tête  
Dans ma cigarette  
Prends position

EXO  
C'est EXO alors  
¡Quelle surprise!

I want it, I want it, I want it

Red  
Is running through my head  
Castle on a hill  
But nobody's home

EXO  
(I want it, I want it)  
EXO/LO  
Haunting me
