

# Maggie Reilly, Close Your Eyes

The sun is slowly sinking down  
But the moon surely rises  
So this old world must still be spinning around  
Oh, and I still love you

So close your eyes  
You can close your eyes  
It's all right  
I don't know the love songs  
I can't sing the blues anymore  
Oh, but I can sing this song  
And you can sing this song  
When I'm gone

It won't be long before another day  
Hey, we're gonna have a good time  
And no one's gonna take that time away  
You can stay as long as you like

So close your eyes  
You can close your eyes  
It's all right  
I don't know the love songs  
I can't sing the blues anymore  
Oh, but I can sing this song  
And you can sing this song  
When I'm gone
