

Maggie Reilly, Tears In The Rain

Away from home
alone again
this tme my train is going
many miles away from you

I think there's something
you should know
I think it's time I told you
there's something deep inside of me
there's someone else I've got to be

CHORUS:

Tears in the rain
we'll never be the same
what can we do now
baby, we're thru now
we'll never meet again
tears in the rain
we'll never be the same
nothing to do now
baby we're thru now
I won't see you again

Things go their way
it's hard to say
ooh so much time was wasted
just trying to make you see
so many people change their lives
trying to understand
there's something deep inside of me
there's someone else I've got to be

CHORUS

REPEAT 5-LINER I think.....

CHORUS

Tears in the rain
we'll never be the same
what can we do now
baby we're thru now
we'll never meet again
tears in the rain
