

# Maggie, She's Maggie

Maggie, yeah, come on

Twist with ass

I thought, that I will not meet you

But this was you

This sweet Maggie

What it lives in neighbourhood

One your step and I shiver already

One pork bite

I think about her

This tricky Maggie

She sold a pup me

Ref.

Because she likes mud

She likes each other in him dabbling

Meat likes eating

She is cannibal

She likes flowers

And so at all this

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

Yeah, yeah, then this only

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

She spied on me through window yesterday

And I was in slips only and socks

Roller blinds be lowered and this odd

Maggie was at me suddenly

And she threw

She has such vim

That she ate bar

Ref.

Because she likes mud

She likes each other in him dabbling

Meat likes eating

She is cannibal

She likes flowers

And so at all this

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

Yeah, yeah, then this only

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

I spray in eyes with her deodorant

I thought, that it will not surprise already me anything

Nobody knows karate so well as she

Tyre will not hold back her fury even

Ref.

Because she likes mud

She likes each other in him dabbling

Meat likes eating

She is cannibal

She likes flowers

And so at all this

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

Yeah, yeah, then this only

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig

Yeah, yeah, then this only

Yeah, yeah, then our Maggie

Yeah, yeah, then our pig
