Uuuuh... Take me away

Higher  
Is where I wanna be  
Higher  
Where my Baby care of me  
Higher  
If you are... to entice  
Higher  
Show you the way to paradise

Take me away  
To paradise  
Take me away  
To a higher ground  
Take me away  
To paradise  
Take me away  
To a higher ground  
Take me away

To the montain top  
Is where I wanna go  
To the highest top  
Is where I wanna be  
To the montain top  
Is where I wanna go  
To the highest top
