

Magic Dirt, Eat Your Blud

Why don't you just say you're my friend? (2X)
Why do you always pull your pants down?
When all I wanna do is groove

Why? (3X)
Why do you always have to bleed? (3X)
Why do you always have to bleed over me?

Why?
Hey, why?
I'm gonna ask you
Why do you throw me over the fence? (yeah)

Why do you go and break my ankles?
And I'm gonna ask you why do you steal my soul?
And I'm gonna ask you why
Why do you eat my blood? (yeah...)
Why do you eat my blood...
You always (5X)
Eat my blood, yeah
