

Magic Dirt, Friends In Danger

At the start
At the start
At the start
At the start
I can do it
I can do it
I can do it
I can do it
Everything
Everything
Everything
Everything
Everything I can say

At the start
I can do it
I can do it
I can do it
Everything

I don't feel it
Believe it
I don't feel it
Believe it

At the start
I can do
I can do it
Everything
At the start
I can do it
I can do it
Everything I can say

Even though I don't feel it
I have to do it to believe it
Even though I don't feel it
I have to do it to believe it

Are you in my
Are you in my
Are you in my
Are you in my

Strain in my eye
Strain in my eye

I can do it to believe it
I don't feel it
Feel it

Are you in my
Are you in my
Are you in my
Are you in my
Straining my eye
Straining my eye

Girl of black punk
I'm on the phone telling you....?
It's all been done before
Girl of black punk
I'm on the phone telling you to go....?
It's all been done before

I don't understand
I don't understand
I don't understand
I don't understand
Understand
Understand
Understand
Understand

You say
Can't say
