

# Magic Dirt, Now Or Never

Can't believe we're together, again  
We won't fight again  
I'll look into your eyes and see that  
You don't wanna fight  
Is it the stranger  
Is it the danger  
Behind your door  
Is it stronger when you keep your love back  
When you take it back  
When you hold it back  
Can't believe we're together, again  
All you're lovin' babe  
Forget you locked it in the  
Strangest pocket  
Is it a sign or is it a time to blame me  
For all your sorrow  
Countin' to a hundred  
Never thought I'd be hunted  
For my idea  
That you and you're fear  
We're the only thing keeping you back from having me  
Once and for all
