

# Magica, Inluminata

Noapte  
Pe comori joac focuri  
E plin pdurea de soapte  
Duhuri tainice jocuri  
ncep

Clipa  
Devine o viat  
Iar visu-si ntinde aripa  
Din valuri de ceat  
Mi-te arat si-ascult

Zeit, Regin

Alb stpn-a noptii  
Fi-mi cluz din nori  
Arat-mi drumul  
L-am pierdut de prea multe ori  
Scar de-argint coboar  
Cerne lumin de stea  
Deschide-mi ochii, ia-m  
n lumina ta!

Stele  
napoi si-nainte

Plutesc, fir de praf ntre ele  
Fr glas si cuvinte  
n zbor

Soart  
S aleg d-mi putere  
S-nchipui crarea spre poart  
Dintre mii de himere  
Sus rsari, m primeste

Zeit, Regin

Alb stpn-a noptii  
Fi-mi cluz din nori  
Arat-mi drumul  
L-am pierdut de prea multe ori  
Scar de-argint coboar  
Cerne lumin de stea  
Deschide-mi ochii, ia-m  
n lumina ta!

Palid-mprteas  
S vd nvat-m iar  
ndrum-mi pasii  
Dincolo de-al lumii hotar  
Poarta m-asteapt larg  
Calea e-un fir nevzut  
Psesc pe nori, si parc  
Azi am renscur!

[Translation:]

Nighttime  
Will o'the wisp dances  
The forest is in whispers  
Spirits mysterious games  
Begin

The moment  
Becomes a lifetime  
And dreamtime opens its wings  
Out of shrouds of haze  
Show your face, heed my call

Queen, Goddess

White mistress of the night  
Be my guide from the clouds  
Show me the path  
I've lost it one too many times  
Silvery ladder descend  
Pour star ashes  
Open my eyes, receive me  
In your light divine!

Stars  
Before and behind me  
I float, grain of sand among them  
Without voice, without words  
In my flight

Fate  
Grant me power to choose  
To figure the path to the Gate  
From thousands of illusions  
Rise on high, receive me

Queen, Goddess

White mistress of the night  
Be my guide from the clouds  
Show me the path  
I've lost it one too many times  
Silvery ladder descend  
Pour star ashes  
Open my eyes, receive me  
In your light divine!

Pale empress  
Teach me to see again  
Guide my footsteps  
Beyond the boundaries of this world  
The gate awaits me wide open  
The path - an invisible thread  
I tread on the clouds and it's like  
Being born again!
