

# Magnapop, Suck It Up

It's coming up again  
Explaining myself again  
I don't know why  
I don't know why  
Turning it up again  
Churning it up again  
I want to go home  
Take me home  
Seems alright  
Seems alright  
Seems alright  
It's running up again  
Waking me up again  
You decide  
Take your time  
Turning it on again  
Sucking it up again  
F\*\*k it up  
Take your time  
Seems alright  
Seems alright  
Seems alright  
Wake me up  
Wake me up  
Wake me up  
Wake me up  
Seems alright  
Seems alright  
Seems alright
