

Magnet, Hold on

These days I dont see you walk to proud
These days I dont hear you talk so loud
When you thought youd soaked up all of the blows
You realized you were not even close
& it feels like its tearing you up
Feels like its wearing you down
Youll get through this if you hang on
Cause the truth is youre not alone
Youll get through this if you hang on
The truth is youre not alone
Youre not on your own
I see your face on every corner of every street
You spend you days just waiting for your next defeat
But I can only tell you what I know
And all I know is that I just dont know
& it feels like its tearing me up
Feels like its wearing me down
Ill get through this if I hold on
Cause the truth is Im not alone
Ill get through this if I hang on
The truth is Im not alone
Im not on my own
& you are not alone
Its just hard sometimes to carry on
No Im not on my own
& you are not alone
Its just hard sometimes, so hard sometimes
But we got to hold on
