

Magnet, I'll Come Along

I'll come along with you
I'm blessed tonight
I'll get it right
I'm self assured like you
No more dull and dreary days

There's nothing here for me anymore
I can afford to come along with you

Lady, look, you see
I've got all I ever wanted
But nothing I need
Never mind, forget it
Something so angelic
Will just be wasted on me

There's nothing here for me anymore
I can afford to come along with you

Come along with you
Come along with you
Come along with you
Come along with you
Come along with you

There's nothing here for me anymore
I can afford to come along with you
There's nothing here for me anymore
I can afford to come along with you
