

Magnum, Born To Be King

New broom had swept and did collect
A thousand tears from far and near
The time had come, the chosen one
A welcome guest by children blessed

The doors unlocked, the walls are down
No more to wear the thorny crown
The game is up, no fooling now
The power is on for everyone

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything
He was born to be king

He was born to be king
He was born to be king
He was born to be king
He was born to be king

He was born to be king
He was born to be
He was born to be king
He was born to be
He was born
He was born
He was born
He was born
He was born
He was born
He was born
Born, he was born
He was born
He was born
He was born
He was born

He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything
