

# Magnum, Two Hearts

Send my love on the telephone  
No one answers, no one's home  
Call after call, I just get nothing at all  
Dirty feelings, they can't be right  
Try again for tomorrow night  
No luck at all has got me walking the floor

Good love - forsaken  
Two hearts - one breaking  
Good love - mistaken  
Two hearts - one aching
