

Maire Brennan, Show Me (Jakahatta Mix)

Watch the crowd, time stranger
There's dust around my eyes
Watch the blind man won't stumble
Tell me no more lies

Chorus:

Show me the way, where I belong
Please show me the way to find you
Show me the way to hear your song

Touch my hand, time stranger
How far the mist on line
Touch the tombstone won't crumble
Tell me one more time

(Chorus twice)
