

Maisie Peters, You're Just A Boy (And I'm Kinda The Man)

I take in clowns like a one-woman circus
You're kinda awful, but you're not awful on purpose
Gave a two-word response when I was having a breakdown
Oh, Mr Bruce Wayne, where is that cape now?

Don't you know that you're losing this (Is that what you want?)
Don't you know that you're losing this (I'm 'bout to be gone)
Don't you see what I'm giving up?
And you can't even text
Don't be surprised now I'm giving up
God! What did you expect?

I'm on a one-way trip to take over the world
You could've come, but your head's in the sand
What's a girl gonna do when she's in love with you
But you're just a boy and I'm kinda the man
I'm on a one-way trip to take over the world
You could've come, babe, I held out my hand
Yeah, it's sad and it's true and I'm in love with you
But you're just a boy and I'm kinda the man

You were my best friend, my shoulder to lean on
But you pushed me out quicker than it took me to put my jeans on
And maybe you're lost and just can't see what you have
But I'm not gonna wait, now I know better than that

Don't you know that you're losing this (Is that what you want?)
Don't you know that you're losing this (I'm 'bout to be gone)
Don't you see what you're giving up?
I'm not holding my breath
You won't see what you're giving up
Till I've already left

I'm on a one-way trip to take over the world
You could've come, but your head's in the sand
What's a girl gonna do when she's in love with you
But you're just a boy and I'm kinda the man
I'm on a one-way trip to take over the world
You could've come, babe, I held out my hand
Yeah, it's sad and it's true and I'm in love with you
But you're just a boy and I'm kinda the man

Goodbye from your biggest fan
Goodbye from the bigger man
Bye bye from your girl, oh damn
You're just a boy and I'm kinda the man

I'm on a one-way trip to take over the world
And I thought you did, but you don't understand
What's a girl gonna do when she's in love with you
But you're just a boy and I'm kinda the man
I'm on a one-way trip to take over the world
You could've come, babe, I held out my hand
Yeah, it's sad and it's true and I'm in love with you
But you're just a boy and I'm kinda the man

Goodbye from your biggest fan
Goodbye from the bigger man
Bye bye from your girl, oh damn
You're just a boy and I'm kinda the man
