

Majestic, Silence

[Andersson / Espinoza]

My head is turning me
With the force from killing hand
Doesn't leave, nothing it's heavenly

Don't know, you know

I'm losing everything
for the first time I'm out of love
Left behind shivering destiny

Mystery sadness
I'm going my soul back to
You never know It's too late

My head is now
So weak I'm dying
You'll see the saints of hell
Are here I'm crying

Light fuse and get away
To the place where you once belong
Bleeding tears is running my fantasy

Mystery sadness
I'm going my soul back to
You never know It's too late

My head is now
So weak I'm dying
You'll see the saints of hell
Are here I'm crying

Oh! Don't you know
that I'm losing my mind?
Oh! Baby tears are crying

You never know
when it's too late
Never know when you're running away

Don't you see
the saint of hell are here I'm crying?
Don't you see the saints of hell?
