

# Make Up Your Mind, You Cried

## Verse1:

I felt You crying,  
Were You thinking of me,  
What I did with my time,  
What became of me.

## Verse2:

I felt You crying,  
You where thinking of me,  
How I got to know You,  
How much You love me,

## Chorus:

Worthy are You,  
Holy are You,  
You took my place,  
You cried for me too,  
Worthy are You,  
Holy are You,  
For all that You are,  
I'll follow You.

## Verse3:

Oh how I love You,  
Since the day I met You,  
Didn't get what this was for,  
But I could not ignore.

## Bridge:

And I will shout,  
Your name out loud (Jesus, You are),  
You cried for me,  
Majesty.
