

Maléna, Spin The Magic (Eurowizja Junior 2022 -

Who says I can't
Reach the skyline with my hand,
Grab a star and give it to you.

Be my heart, Be my soul
Be my friend, when I am low...
Be the light to get me through

I'm not afraid to fall
Cause that's how you get strong
There's nothing in this world
That can stop me now

I'm flying high tonight
With you right by my side
We're racing through the sky
to the spotlight, yeah

I know
Better days are coming, they're close
even though they move a bit slow.
Let's create a world with
no pain, no hate, no tears, (Hey!)

We can be wizards, we can be kings,
We can be heroes, we can be queens.
Give me your hand,
Get ready to glow
Cause It's time to start the show

Spin the magic
No more feeling blue, let's
Make our dreams come true
Make our dreams come true

Spin the magic
No more feeling blue, let's
Make our dreams come true
Make our dreams come true
