

Malese Jow, Caught Up In You

You seem to have a way with me
A way with words, baby, sing to me
Never felt safer than wrapped up in your melody
Your face, it haunts
I see it more and more
Can't seem to get enough
You have a way, a way, a way with me
It's undeniable
You're unbelievable
Baby, I know that you're out of this world
Don't know what to say
Don't know what to do
Somehow I find myself caught up in you
Caught up in you
You leave a message for my heart
It's been pre-occupied from the start
Your face is a dream
I sleep and never wake up
People say this feeling's just not real
But I don't care cause this is what I feel
You have a way, a way, a way with me
It's undeniable

You're unbelievable
Baby, I know that you're out of this world
Don't know what to say
Don't know what to do
Somehow I find myself
So let's drive into the night
Yes, anywhere will be just fine
Let's get lost in the moment and never return
Cause baby I'm caught up in you
I'm Caught up in you
I'm caught up in you
Caught up in you
Yeah, it's undeniable
You're unbelievable
Baby, I know that you're out of this world
Don't know what to say
Don't know what to do
Somehow I find myself caught up in you
I'm caught up in you
Caught up, caught up
Caught up in you
Caught up in you
Caught up in you
