

Malese Jow, Mista DJ

I've been feeling like a prisoner
Got me all locked up with no where to go
Could ya
Help a girl with a little love
Turn it on
Turn me up
You make me want it
I really want it
I wanna let go
You make me let go
Come on mista DJ turn it up for me
Won't you play it loud
Make it go uh uh uh uh uh
Uh-oh mista DJ give it up for me
Won't you play it out
Make it go uh uh uh uh uh

The room is spinnin'
And it's hard to breathe
Gotta get away from reality
It's getting hotter and I wanna be
On the dance floor, baby (on the dance floor)
You make me want it
I really want it
I wanna let go
You make me let go
Come on mista DJ turn it up for me
Won't you play it loud
Make it go uh uh uh uh uh
Uh-oh mista DJ give it up for me
Won't you play it out
Make it go uh uh uh uh uh
