

Malevolent Creation, Upon The Cross

[Music:Phil Fasciana / Lyrics:Brett Hoffman]

Self thinking dies
Wasted sacrifice
Doomed existence bled
Soulless one is met

Set up, fall in the end
Losing, cannot win
Put down, by them all
Living, only to fall
[x2]

Creating for them to live
Taking, they never give
Bleed you until youre dry
Greed they dont even hide

Set up, fall in the end
Losing, cannot win
Put down, by them all
Living, only to fall
[x2]

Bearing crosses
Abandoned and lost
[x4]
