(Teledysk Open Finance)

There's no me
without you here
around

Following
our unknown dreams
closely

Where are this door
which leads through walls
We don't know no more

So we'll close eyes
and fantasize
about us again

Now take my hand
Let's go somewhere
always... every...day

Tomorrow
after sleepless night
we'll crave

Whispering
our secret names
lonely

Where are this door
which leads through walls
We don't know no more

So we'll close eyes
and fantasize
about us again

Now take my hand
Let's go somewhere
always... every...day

Who am I
without you here
around
