

Maliah, They Said

Verse 1: You've had your fun
Your time is up
Cus really baby
I've had enough
You lie and cheat
Those devious ways
They made me hate you
And it's a shame

Chorus: They said that you
Were a low down dirty dog
Should've known your words
Were game all along
They said you were no good
And you proved em right
I've had enough
So I'm leaving you tonight

Verse 2: I deserved better
Better than you
What I needed was
A man that was true
So I'm movin on
Yeah this is goodbye
And you best to believe
I'm not gonna cry

Chorus

Bridge: You said you loved me
Then you let me down
When I needed you most
You weren't around
You were never worth
The tears I cried
And now im leavin
Don't act surprised
You broke my heart
And that ain't cool
So now you're the one
Lookin like the fool
Cus I'm gone

Chorus
