

Malibu Stacy, Soda Pop

Pop fizz on my tongue
Pop fizz then the radio's on
Pop fizz on my way
I'm going surfing in the USA

You'd better mind me
You'd better mind me

Pop fizz on my tongue
Pop fizz then it's all away
Pop fizz I'm on my way
I'm going surfing in the USA

You'd better mind me
You'd better mind me

Twice as nice
No more
I'm a
Rockin' horse
Eyes alive
But mind the bullets
Twice as nice
No more
I'm a
Rockin' horse
Eyes alive
But mind the bullets

You'd better mind me
You'd better mind me

Pop fizz on my tongue
Pop fizz then the radio's on
