

# Mammoth WVH, Take A Bow

No  
Now what have you done? No  
How far will you run?

Falling one by one  
Is that enough for you my love?  
Failing everyone  
Am I enough for you my love?

I swear I thought it was over  
Just let me know when you're done

And when the lights start fading  
Take a bow it's over for me  
You're wrong at the right time. Save me  
Take a bow you're devastating

Now  
take back what you've done  
Now  
Got nowhere to run  
nowhere to run

Oh god just let it be over  
I can't believe what you've done

And when the lights start fading  
Take a bow it's over for me  
You're wrong at the right time. Save me  
Take a bow you're devastating

Lost in darkness  
Did you forget what you're fighting for?  
Crossed and heartless  
Did you forget what you're running from?
