

Man Overboard, Atlas

I stare out of my window
And I look at my neighbors
And take notes on being normal
How to wave and be nice
Or talk to a child
Or offer a hand or actually smile

Maybe I'll learn how to talk to people
Maybe I'll learn how to laugh
Maybe I'll end up just like my dad
But I just don't feel like a grown up yet

I stare out of my window and I count the days
Cause my life's so fucking pointless
I could talk and be nice or light up a joint
Or go be a friend, but what is the point?

Maybe I'll learn how to talk to people
Maybe I'll learn how to laugh
Maybe I'll end up just like my dad
But I just don't feel like a grown up yet
But I just don't feel like a grown up yet
But I just don't feel like a grown up yet
But I just don't feel like a grown up yet
