

# Manchester Orchestra, Everything To Nothing

Definitely not the things that i'm seeing  
Did I think I see so instantly?  
I found a note in my grandfather's coat  
When I read it out loud I got cold  
It said I'm not complaining  
Yeah I was just saying  
I'm a man, I'm a lost one you see  
Come down with me to a place we'll get clean and we'll meet with them eventually  
You mean everything  
I don't know much  
But a crutch is a crutch  
If it's holding you from moving on  
I don't know what to do  
Not anymore, not anymore  
I don't know what to do  
Not anymore, not anymore  
And you, well you mean everything  
You mean everything to nothing  
You mean everything to nobody, me  
You mean everything to nothing  
You mean everything to nobody but me
