Manchester Orchestra, I've Got Friends

Dirt in the ground is what I need I got another one to tell you and another one to make you believe pity in the grass tried to be the one you needed when I told you that you wanted something bigger than me I've got friends in all the right places I know what they want and I know they don't want me to stay I said that I've got friends in all the right places I know what they want and I know they don't want me to stay 'cause you are not alive when I need you I need it quickly in case you never know I can't play where I'm not supposed to anyway dirt in the ground is what I see I need another reason why I need another reason, tell me to breathe the dirtier the sound, the best I breathe I tried to do it all for you it didn't do anything for me 'cause I've got friends in all the right places I know what they want and I know they don't want me to stay I've got friends in all the right places I know what they want and I know they don't want me to stay and you and I will find that when I need you I need it quickly in fact, you'll never know I've got friends in all the right places I know what they want and I know they don't want me to stay I said that I've got friends in all the right places I know what they want and I know they don't want me to stay.
