

Mandalay, Beautiful

You can depend
On certainty
Count it out and weigh it up again
You can be sure
You've reached the end
And still you don't feel
Do you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you are
You can ignore
What you've become
Take it out and see it die again
You can be here
For who's a friend
And still you don't feel
Do you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you are
Yes you are...
Yes you are...
Innermost thoughts
Will be understood and
You can have all you need
Do you know
You know about anything
Do you know
You know about anyone
Do you know you're beautiful
You are, yes you are
Yes you are...
You're beautiful
Do you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you are
Do you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you are
