

Mandalay, Please

Speak low
And I feel light
I've fallen at your feet
I raise my voice to hear you speak
I'm lost to you
High

I feel alone X4

Say please
And I go weak
Your hands around my arms
The strength you have to hold me down
I'm asking you
Why

I feel alone X4

Come to me and speak low
Come to me and speak low

Please
I go weak
I've fallen at your feet
I raise my voice to hear you
Speak I'm lost to you

I feel alone ...
