

Mandalay, What If I

Her words
Have left me
Discharged like
A space
She stepped in to
Reveal
The doubt
I've felt
What if I
Take a little more
Than you need
What if i
Say i believe in me
Adequate for qualified
Oh to be
All that i say i can be
Her world
Has shown me
It's not just me
Who needs more
Just to be this
And need no more
Must be so much relief
Must be all
What if I
Take a little more
Than you need
What if i
Say i believe in me
Adequate for qualified
Oh to be
All that i say i can be
But what if I need her
Her words
Have left me
What if I
Take a little more
Than you need
What if i
Say i believe in me
Adequate for qualified
Oh to be
All that i say i can be
But what if I need her
