

Mandaryna, Mueve tu cuerpo loco

Come on join me - everybody
Come together and have some fun
All night long we gonna have a party
All the way until the morning sun
Shake your hips and get on the dancefloor
move your body - don't sit around
to make you sweat / that's what i'm here for
in our crazy party town
Mueve tu cuerpo loco
Chico baila un dos tres
Mueve tu cuerpo loco
Baila al ritmo
Mueve tu cuerpo loco
Vente, conmigo, siente
Mueve tu cuerpo loco
ritmo caliente
Come right to me - all together
follow me and feel the heat
join my dance and you feel better
take it out into the streets
up and down let's keep on grooving
get in touch with evryone
you and me - forever moving
we have some fun
