

Mando Diao, Black Saturday

better than running
Stand and take a fight
But dare you
It's better than running losing
More than life itself
Can you feel it
Another black Saturday
Another black Saturday
Yeah

You think that's funny?
I can see your choking
I hope you choke yourself to death
Mama
See what I have done
I'm getting ready for
Another black Saturday
Another black Saturday
Another black Saturday
Another black Saturday
Yeah
