

# Mando Diao, I Don't Care What People Say

I don't care what the people say  
I wear my pain everyday  
people say it's a waste of time  
I say it suits me just fine  
you- what's on your mind  
last time I saw you, you hide  
I don't feel very right  
my mom says I'm December child  
I don't care what the people say  
I wear my pain everyday  
people say it's a waste of time  
I say it suits me just fine  
you- what's on your mind  
last time I saw you, you hide  
I don't feel very right  
my mom says I'm December child  
I don't care
