

Mandy Barnett, Baby Don't You Know

(Jamie O'Hara)

You walk down the street with a smile on your face
Hand in hand with somebody new
From the window above I look down through my tears
Wond'rin' why you treat me so cruel
You're so cruel

Baby Don't You Know I still love you
Baby Don't You Know I still miss you
Baby Don't You Know you're breaking my heart
Oh, oh, oh
Baby Don't You Know I still want you
Baby Don't You Know I still need you
Baby Don't You Know you're tearing me apart

All the talk goin' round says you're out on the town
Havin' fun 'til the early mornin' light
While you're showin' all the world
That you're happy and free
I stay home all alone and cry all night
I cry all night
Baby Don't You Know I still love you
Baby Don't You Know I still miss you
Baby Don't You Know you're breaking my heart
Oh, oh, oh
Baby Don't You Know I still want you
Baby Don't You Know I still need you
Baby Don't You Know you're tearing me apart
Has the memory of our love died so soon?
Cant you see what you're doing to me?
Why can't you see?

Baby Don't You Know I still love you
Baby Don't You Know I still need you
Baby Don't You Know you're tearing me apart

Baby Don't You Know you're tearing me apart
Baby Don't You Know you're tearing me apart
Baby Don't You Know you're tearing me apart
