Mandy Barnett, Give Myself A Party

I've got a lot of memories
To last me the rest of my life
So if you don't wanna love me
Baby, that'd be all right

I'm gonna take all the lovin'
That I have for you
I'm-a gonna take all the loneliness
Sit right down with the blues

I'm gonna give myself a party
And serve old memories
Give myself a party
Think of how it used to be
Remember all the happiness
That we once knew
I'm gonna give myself a party
Just me and the blues

A few of your love letters
A photograph or two
A gift you gave on my birthday
With words of "I love you"

There's lots of things to think about
When you're happy feelin' blue
So I'm-a gonna take all the loneliness
Sit right down with the blues

I'm gonna give myself a party
And serve old memories
Give myself a party
Think of how it used to be
Remember all the happiness
That we once knew
I'm gonna give myself a party
Just me and the blues
