

Mandy Barnett, Now That's All Right With Me

(Kostas/Tony Perez)

All you have to do now, Babe
Is pull on my heart strings
Let me know which way to go
Now That's All Right With Me

Love me like a river, Babe
I'll love you like the sea
Love me any time at all
'Cause That's All Right With Me

Well, the night is tender and the night is long
And I like what I see
There's a sparkle in your eyes like the stars in the sky
And I know what it means
Oh, any time or any place
Wherever we may be
We're wild and we're young and we're free to love
And That's All Right
That's All Right With Me
So close your pretty eyes now, Babe
And put me in your dreams
In your world of fantasy
'Cause That's All Right With Me
Oh, the night is tender and the night is long
And I like what I see
There's a sparkle in your eyes like the stars in the sky
And I know what it means
Oh, any time or any place
Wherever we may be
We're wild and we're young and we're free to love
And That's All Right
That's All Right With Me

Oh, That's All Right
That's All Right With Me
Hey, That's All Right
That's All Right With Me
