

Mandy Moore, Breaking Us In Two

Don't you feel like trying something new
Don't you feel like breaking out or breaking us in two
You don't do the things that I do
You want to do the things I can't do
Always something breaking us in two

You and I could never live alone
But don't you feel like breaking out
Just one day on your own
Why does what I'm saying hurt you
I didn't say that we were through
Always something breaking us in two

They say two hearts should beat as one for us
We'll fight it out to see it through
I say that you won't be too much fun for us
Though it's oh so nice to get advice it's oh so hard to do

Could we be much closer if we tried
We could stay at home and stare into each other's eyes
Maybe we could last an hour
Maybe then we'd see right through
Always something breaking us in two
