

Mandy Moore, Broken Promises

Oh, oh, oh, Yeah, Yeah
Ohhhhhhh (Broken promises, thats what your givin me)
Yeah(broken promises)

No more lonely nights
Baby thats just what you told me
But you're no where to be found.
Something just aint right
Cuz I cant get you to hold me
Even when youre around.

Baby you promised me
That you'd always be there for me
Tell me Whats on your mind?

[Chorus]
What happened to the I love you's?
The hugs and kisses and the rendezvous?
What happened to me and you?
You said you'd never change.
What happened baby talk to me
You used to be sugar sweet just like candy
Now your breakin my heart
With all your broken promises.

Oh, oh, oh, Yeah, Yeah
Ohhhhhhh (Broken promises, thats what your givin me)
Yeah(broken promises)

Open up your eyes
Baby thats what people tell me (thats what they say)
But its hard to let you go.
I cant take your lies
If your spending time with somebody else
Then you gotta let me know.

You promised me that you'd never run a game on me
Tell me whats on your mind.

[Chorus]

You say your gonna do this
You say your gonna do that
But you never come through.
And so its different lately
Cuz you dont call me baby
I just dont know what to do...

Ohhhhhhh (Broken promises, thats what your givin me, broken promises)x4
Oh oh, yeah, yeah
Baby, baby, tell me..

[Chorus]

You say your gonna do this
You say your gonna do that
Ohhh What happened to me and you?
You said you'd never change.
What happened baby talk to me
You used to be sugar sweet just like candy
Now your breaking my heart
With all your broken promises.

Broken Promises....

So we're breaking my heart with all your broken promises.
